Renzenbrink & Partner advised IK Investment Partners on the acquisition of Messerschmitt Systems

The private equity investor IK Investment Partners within the scope of its Small-Cap-I-Fund has acquired Messerschmitt Systems from its founder Hartmut Messerschmitt.

Founded in 1994 and based in Nuremberg, Messerschmitt Systems develops and produces electronic door control and detection systems as well as computer-controlled energy saving and building automation systems, in particular for hotels or clinics.

IK Investment Partners has been a longtime client of Renzenbrink & Partner, in the areas of corporate law, acquisition finance and tax matters. The firm recently advised on the acquisition of the APOSAN Group.

The team of Renzenbrink & Partner consisted of the partners Dr Ulf Renzenbrink (Corporate/Private Equity), Marc H. Kotyrba (Tax), Dr Gunnar Schmäser (Finance) as well as the associates Dr Niels Maier (Corporate/Private Equity), Jan Schlottbohm (Tax) and Martin Degenhard (Corporate/Private Equity).
