

## DEAL REPORT

October 2016

### **Renzenbrink & Partner advised IK Investment Partners regarding the acquisition of the APOSAN group**

APOSAN Dr. Künzer GmbH is a healthcare company based in Cologne which produces sterile infusions as well as parenteral nutrition. These are individually made for each patient and are used for outpatient treatment.

Renzenbrink & Partner advised IK Investment Partners regarding the acquisition of the APOSAN group in the legal matters of Corporate, Finance and Tax. Regarding all pharmacy law related questions Renzenbrink & Partner cooperated with Dierks + Bohle in Berlin.

IK Investment Partners is a client of Renzenbrink & Partner for several years now on all legal aspects of corporate law, acquisition financing and selected tax issues. The law firm has given advice regarding the tendering procedure of the sale of laboratories GBA, the add-on acquisition of AIK and the add-on acquisition of Sovex Ltd. by TRANSNORM Systems GmbH.

The team of Renzenbrink & Partner consisted of Dr Ulf Renzenbrink, Dr Andreas Stoll, Dr Niels Maier, Dr Maximilian Preisser (all Corporate Law/Private Equity), Marc H. Kotyrba, Jan Schlottbohm (both Tax) and Dr Gunnar Schmäuser (Finance).
