Renzenbrink & Partner advises KION Group on the reorganization of the group-wide cash pooling

The KION Group is a global leader in industrial trucks, related services and supply chain solutions. Across more than 100 countries worldwide, the KION Group designs, builds and supports logistic solutions that optimize material and information flow within factories, warehouses and distribution centers. The Group is the largest manufacturer of industrial trucks in Europe, the second-largest producer of forklifts globally and a leading provider of warehouse automation.

Renzenbrink & Partner has advised KION Group AG, the group's MDAX-listed parent company, comprehensively on the global reorganization of the group-wide cash pooling. The project included the preparation of the cash pooling documentation as well as the selection and coordination of an international team of law firms from 17 jurisdictions in Europe, North and Central America, Asia and Australia.

The team of Renzenbrink & Partner consists of the partners Dr. Andreas Stoll (Corporate) and Dr. Gunnar Schmäser (Finance) as well as the associate Martin Degenhard (Corporate).
